Do you run a group for youth who are looking for a safe and welcoming space to meet?

We are looking to share the living room space with youth in Genesee, Orleans and Wyoming county.

All groups must have their own responsible adult to facilitate.

ILGR will provide the safe, comfortable, welcoming space.

We can accomodate any age that you chose to facilitate.

It is FREE.

Come check out the space, and see how we can meet your youth's needs.
