[Recommended Script] "Hello! I'm [name] volunteering for the HUD homeless point-in-time count. It's a census of all people experiencing homelessness on a single night in January, which happens to be tonight. I would like to ask you a few questions and these questions are being asked to everyone in order get a sense of what people in our community are experiencing, how frequently, and how best to respond. Your responses will inform the development of future programs.

You can choose not to answer any question that you are not comfortable with. You answers will be confidential and will not change any of the services that you were going to receive here. Do you have any questions?"
